The 2018 Boswick Symposium was a resounding success. The number of attendees rose dramatically and for the first year we had to turn exhibitors away as we ran out of booth space! We predict 2019 should be even better. The beautiful all glass exhibitor room provides one of the best views of the ocean from the entire property and entices the attendees to visit even more.

Once again, we will be limited to 30 exhibitor booths in order to maintain our open format and manage that attendee to exhibitor ratio that has been so successful for many of our exhibitors in the past. We anticipate that we will fill those spots early and encourage you to register your company soon.

Mahalo!

All Exhibitor communication and questions should be forwarded to Roger Huckfeldt, MD at roger@palm-medical.com.
