### **Join Us for the 49th Annual John A. Boswick, M.D. Burn and Wound Care Symposium!**

We are pleased to invite you to participate in the 49th Annual John A. Boswick, M.D. Burn and Wound Care Symposium, taking place January 23–28, 2027. This premier international conference highlights the latest advancements in burn care, wound healing, infection control, and soft tissue management, featuring distinguished physicians, nurses, researchers, and specialists committed to improving patient outcomes.

To preserve our open-format exhibit hall and maintain the highly valued attendee-to-exhibitor ratio that distinguishes the Boswick Symposium, exhibit space will once again be limited. Due to strong demand in prior years, we anticipate booths will sell out quickly and encourage you to confirm your participation early.

We look forward to welcoming you and your team to another exceptional year at Boswick.
